❖ ...and other perks and benefits!

*As per Federal AmeriCorps policy: The Education Award is only available to the U.S. Citizens, U.S. Nationals or Lawful Permanent Resident Aliens. All participants are eligible for the $1,803.10 cash stipend. The Education Award or cash stipend are available upon successful completion of the program.

Make the Road New York (MRNY) builds the power of immigrant communities to achieve dignity and justice. As MRNY’s Digital Literacy & Navigation VISTA Member, you will support MRNY’s mission by connecting community members with the resources and skills they need to function in a digital world. You’ll create lasting impact by preparing those who MRNY helps to also support others in their communities who’ve got digital challenges.

Project Examples:
❖ Developing a digital literacy program for students in English and workforce classes.
❖ Developing a program that connects community members with digital resources they need to succeed!
❖ Creating volunteer training modules and building up volunteers to become literacy leaders in their communities!

Eligibility:
❖ 18 years or older
❖ availability and commitment to full-time service for one year
❖ US citizen, legal permanent resident, asylee, refugee or DACA recipient

If you:
❖ have great communication and interpersonal skills
❖ have a strong connection to the mission and vision of Make the Road New York
❖ are tech savvy and very comfortable with computers
❖ have great enthusiasm for leading change through digital literacy
❖ have a strong commitment to your professional and personal growth
❖ speak Spanish and have a high-intermediate/advance English level

… this opportunity is for you!
