---

# IDENTIFICATION DOCUMENTS

**If your ID is expiring in the next couple of weeks, make sure that you renew it. It is important that you always carry identification that is valid and current.**

**Check your ID's expiration date!**

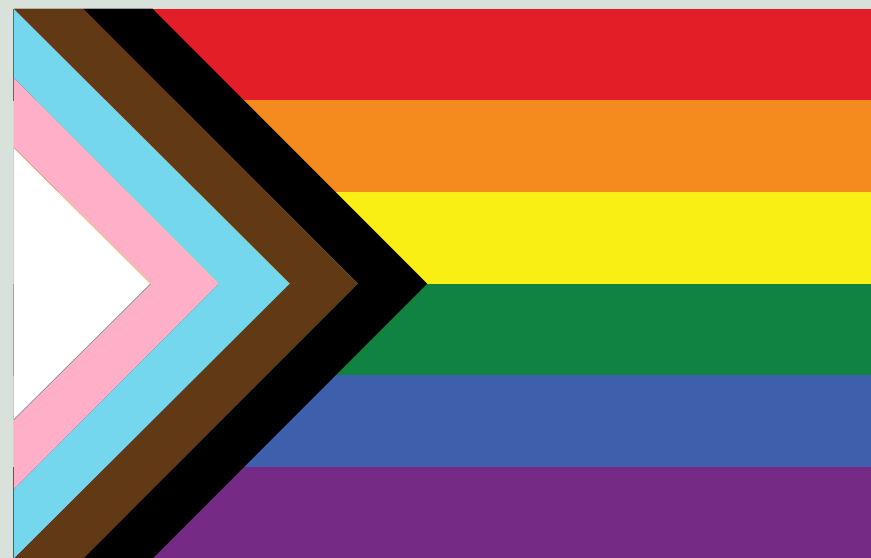

---

# GENDER MARKERS

**In New York, you should update your license, state ID, and IDNYC with the gender marker that best matches your gender identity. If your ID does not have the right gender marker, make sure to update that as soon as possible.**

**Confirm your ID's gender!**

---

# UTILITIES

**To prove NYC or NYS residence, it is important to have utilities under your name. This includes a cell phone bill, medical bills, bank statements, credit card statements, water, heat, electricity bills, etc.**

---

---

# FALSE DOCUMENTS

It is important to note that carrying false documentation such as a fake social security number or green card, can be considered fraud or identity theft, which has criminal consequences. **You should not carry these documents as they have severe immigration consequences.** If stopped by an immigration agent, you should never provide false documentation.

---

# FOREIGN PASSPORTS AND IDS

**Avoid carrying a foreign passport or identification.**  
**In case you come in contact with ICE or law enforcement, this may put you at increased risk of deportation and expedited removal proceedings.**
